

# Digital and Creative Hub "Oster" - a SPACE FOR ALL GENERATIONS

# Why it is important

In today`s world digital skills are no longer optinal.They are keys to :

- **Personal development**
  - **Employment and business**
  - **Social inclusion**
  - **Community growth**
- But today, our city lacks a dedicated space where kids and people of all ages can learn and grow digitally.

# The PROBLEM

## Current challenges:

- Limited time for IT education in schools
- Outdated equipment and overcrowded computer labs
- No support for advanced learners (e.g. sixth graders wants 9th-grade topics)
- Lack of extracurricular digital learning spaces

# The SOLUTION-**The Digital Hub “Oster”**

- A creative, inclusive digital space open to all residents of our community.

## Goals:

- Provide flexible access to modern tech;
- Support digital upskilling outside school curricular;
- stimulate creativity, innovation and community resilience;

# For Young Children (Ages 3–5)

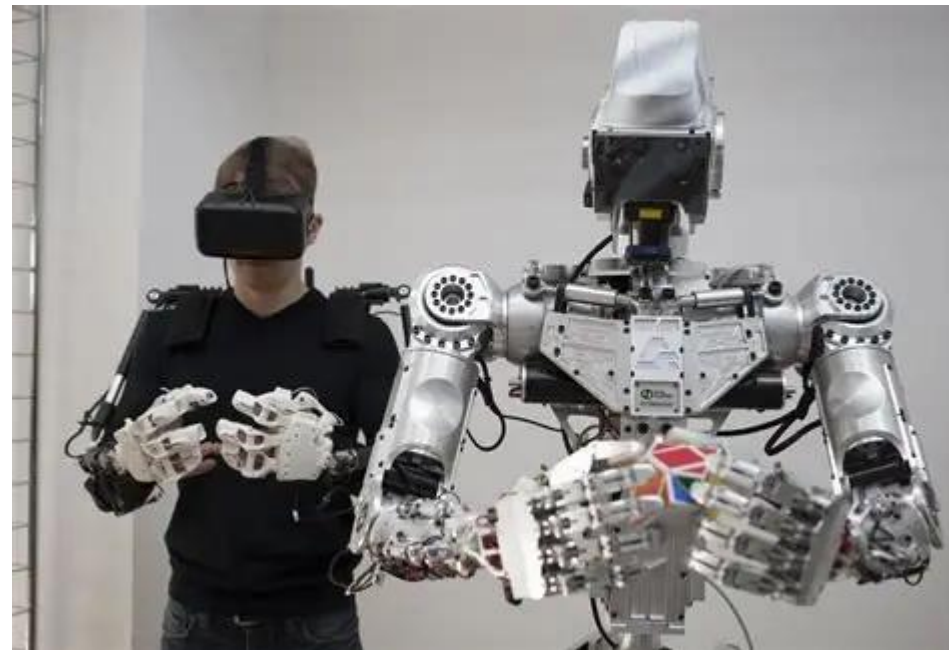

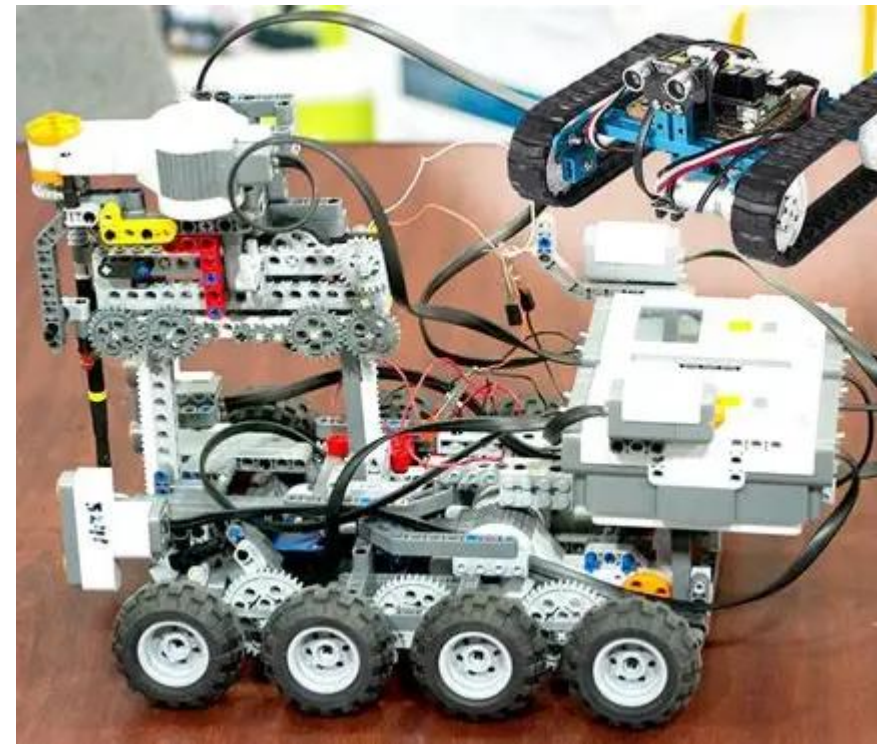

## Program: “Making Friends with Computers”

- Digital and logic games (*Baby Games, Lingokids*);
- Drawing on screen (*Paint, Drawing for Kids*);
- Music games and digital interaction;  
👶 Playful and safe early tech experience;

# For School Students:

- **Opportunities beyond the school curriculum:**
  -  **Programming & Game Development**
  -  **Graphic Design**
  -  **Robotics**
  -  **3D Modeling**
  -  **Animation & Video Editing**
  -  **Streaming Skills**
  -  **Using Artificial Intelligence**

# For Adults

## Practical digital skills for everyday life:

- Accessing government services online
- Working with the Diia portal
- Creating presentations and social media content
- Internet safety and digital literacy
- 🧠 **Lifelong learning made accessible!!**

# Course Structure

## Each course includes:

- 10–15 interactive sessions;
- practical learning with modern tools;
- Guidance from experienced trainers;
- Group and individual project work;

# Additional Benefits

**Free internet access for all hub visitors;**

**Space for doing homework or joining online classes;**

**A place for collaboration, creativity & innovation;**

**Boosting future employment and business potential;**

# Impact on the Community

- **The Digital Hub “Oster” will:**
  - overcome the digital divide;**
  - stimulate local innovation;**
  - support life long learning;**
  - inspire the next generation of tech leaders;**

# Call to Action

**Let's build the future together!!!**

**We invite partners, donors, and local leaders to support the Digital Hub "Oster"!!!**

**Together, we can empower our community with knowledge, tools, and opportunities!!**
